

Notice on Quiz #2

We will have our second quiz on Friday, March 24th, 9:00 to 9:50 am at C-2045. If you have difficulty in attending this quiz, please let me know as soon as possible and we will arrange a makeup. The quiz will cover the topics we have discussed after the geometrical optics until March 17th.

If you have questions on topics we have discussed in the class or on problems in the assignments, you are welcome to visit my office (C-3027) to have a discussion next week before the quiz.

Good luck!
